The Latest From Move-in.

As the leaves start to turn, we have been busy working on some wonderful new projects - from student accommodation to residential common areas, serviced apartments, display suites and everything in-between.

A big thank you to [The Design Files](#) for their beautiful story on Family, featuring Move-in's very own Zahava Elenberg.

Scroll down for more...

661 CHAPEL ST

In collaboration with Gamuda Land and Crema Construction, our talented team recently furnished these amazing common area spaces at the beautiful new South Yarra apartment building.

[View project.](#)

STUDENT LIVING

This student apartment project is the first in a

series being developed by [The Student Housing Company](#). Take a sneak peek of what's in store...

[Read More.](#)

33 COVENTRY ST

High in the sky with breathtaking views, we worked with Urban to fit-out the Level 20 communal spaces.

[Check out the view!](#)

ADARA KUBIX

KUBIX is the new kid on the block.

This brand new serviced apartment project by [Adara](#) makes coming home from a day on the road very nice indeed.

[See the full fit-out!](#)

THE DESIGN FILES

Zahava caught up with the Design Files for a casual conversation about family.
